UNITED STATES ASSAY COMMISSION.

Meets annually at U. S. Mint, Philadelphia, when one medal in silver is presented to each member. They are not sold at the Mint, and as collectors well know are but rarely obtainable.

The completeness and extent of this collection should be appreciated by numismatists and advantage taken of this splendid opportunity to either begin to collect the series or add to those already in their cabinets, for we believe this to be the second finest set ever offered for sale, and which has taken years to form regardless of price asked. With the exception of those for the years 1888, 1889, 1895, which are size 48, they are all of a uniform size of 21. All are in perfect or proof condition.
